

*Judy Goodman – Sales Associate at Country Living Properties*

Judy is a relative newcomer to the real estate world. She obtained her Vermont agent's license in January 2007 and joined the team at [Country Living Properties](#). Previously, after years of visiting the area as 'tourists', Judy & her husband moved to Vermont from New York in 1994 and purchased the Wiley Inn. For over 15 years they have been Innkeepers & presently run the restaurant Bromley Beach Bistro at the Wiley. Working closely to assist customers has always been Judy's focus. Over the years, she noticed that many of their guests were just like them – they'd fallen in love with Vermont and decided they wanted to own a piece. Now, as a real estate agent, Judy is able to help others realize their dreams as she did just 15 years ago.
